Refunds to our participants for one-day tours will be determined by the amount of refund allowed by that trip's vendor. When the special nature of an overnight tour requires a more restrictive policy, special cancellation information will be included in your tour documents. Also, in case we have a waiting list, we will do our best to fill canceled reservations if at all possible. If we cannot do this, we will not be able to make refunds after the reservations have been made. For performances and sporting events, tickets are non-refundable, unless vendor cancels performance.
